

Food For Life Medway

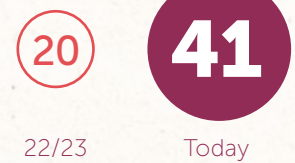

2022/23 vs Today

Commissioned by Medway Council, Food for Life have been working since 2022 to embed a healthy and sustainable food culture in schools across the district. Food for Life Medway in numbers captures the progress made through two years of the programme.

Embedding a whole school approach to food

“

[Being part of Food for Life] has made a massive difference. The parents are more aware of what we offer as a school.

Home School Support Worker

”

“

Since attending two Food for Life training sessions and feeding back to wider staff, cooking is increasingly back in the spotlight for us! Pupils are... gaining their confidence with prep skills and trying new recipes.

Class Teacher and DT Lead

”

Getting pupils growing and cooking

“

We've embraced growing and being outside.
EYFS Lead

”

“

We can show off our skills!
Year 6 pupil

”

“

It's really fun!
Year 5 pupil

”

Taking Food for Life beyond the school gates

“

Parents have approached us to say how much their pupils love growing and Forest School and the difference it's made to their children.

Forest School Lead

”

“

The parents want to talk about it – they'll approach me at the gate and want to talk about the birds they're seeing in the garden.

Headteacher

”
