

How can we achieve the Food for Life Early Years Foundation Award?

What is your catering situation?

In-house

External caterers

You will need to achieve a minimum of 4 of the 13 Food Quality criteria, one of which **must** be 1.0.

Of the remaining 23 criteria you choose to complete, there **must** be at least one from each of the remaining 3 pillars of the Award: Food Leadership and Food Culture; Food Education; and Community, Partnerships & Parent Engagement.

Does the caterer have a Served Here Licence?

Yes

No

Great! When you log into the portal you will find Food Quality criteria 1.0-1.12 marked as 'completed'. This means the caterer is achieving these criteria on your behalf and your setting already meets these 13 criteria of the 27 needed for the Foundation Award.

Of the remaining 14 criteria you choose to complete, there **must** be at least one from each of the remaining 3 pillars of the Award: Food Leadership and Food Culture; Food Education; and Community, Partnerships & Parent Engagement.

You will need to achieve a minimum of 4 of the 13 Food Quality criteria, one of which **must** be 1.0. Of the remaining 23 criteria you choose to complete, there **must** be at least one from each of the remaining 3 pillars of the Award: Food Leadership and Food Culture; Food Education; and Community, Partnerships & Parent Engagement.

And you've done it! Congratulations on completing your Food for Life Early Years Foundation Award!
