

Food for Life Served Here Fees for Caterers in Care Settings

Your fee is made up of the following two elements and is payable on application, and then annually:

Inspection and Administration Fee

Includes inspection, report and verification: **£825 plus**

Membership Fee

Number of sites	Membership fee per site
1-10	£40
11-25	£35
26-50	£30
51+	£25

All fees are subject to VAT.

To support organisations in the public sector we have **capped** the annual fee at **£1135+VAT** (£1,362) for public sector **in-house caterers**. This does not apply to commercial caterers.

For example: if you have a contract to cater for 14 care homes, your annual fee would be: £825 (**inspection and admin fee**) + (10 x £40) + (4 x £35) (**membership fee**) = **£1,365+VAT**. If you are a local authority caterer, your fee would be capped at £1,135 +VAT.

Covered by Your Fee:

- Independent endorsement from the Soil Association that your meals meet Food for Life Served Here standards
- Your organisation's membership of the UK's fastest growing best practice scheme for caterers
- Use of the Food for Life Served Here logo and all relevant Soil Association marketing materials and messaging
