

# Food for Life Served Here Fees for Caterers in Workplace Eateries

Your fee is made up of the following two elements and is payable on application, and annually:

## Inspection and Administration Fee

An inspection, report and verification: **£825 plus**

## Membership Fee

Number of sites	Membership fee per site
1-5	£260
6-10	£210
11-25	£185
26-50	£160
51+	£110

All fees are subject to VAT.

For example: if you have a contract to cater for six workplace sites, your annual fee would be:  
**£825 (inspection and admin fee) + (5 x £260) + (1 x £210) (membership fee) = £2,335 + VAT.**

Fees are calculated by each site individually rather than the total number of sites covered, including the number of sites in the previous price bracket if applicable.

### Covered by Your Fee:

- Independent endorsement from Soil Association that your meals meet Food for Life Served Here standards
- Your organisation's membership of the UK's fastest growing best practice scheme for caterers
- Use of the Food for Life Served Here logo and all relevant Soil Association marketing materials and messaging
