

STAND ON A PIECE OF A4 PAPER

This is more than the average space allowance
per bird in a typical battery cage.

Producer identity

A unique code denoting where
the egg was produced. eg
UK54321, UK543SCO or
UK5-432.

Method of production

- 0 = Organic*
- 1 = Free Range
- 2 = Barn
- 3 = Caged

*organic eggs are
always free range

British Lion Quality Mark

Only found on
eggs that have been
produced in accordance
with UK and EU law and the
British Lion Quality Code of Practice.
Farm assurance or the Lion Mark do not
guarantee that eggs are from free range hens.

Best before date

All British Lion Quality
eggs must include a 'best
before' date printed on the
shell of the egg.

On Food for Life Served Here menus only
eggs from free range hens are used.

Free range hens have access to the outdoors
and are not confined in cages. This allows them
to benefit from daylight and carry out natural
behaviours such as walking, wing flapping, dust
bathing, perching and nesting.
